Capabilities Statement

Valor Home Services LLC, a locally Veteran-owned and operated roofing specialist, offers complimentary estimates and insurance inspections for hail or wind damage. With extensive experience with handling all types of insurance claims, we are dedicated to delivering top-notch workmanship and customer service.

Valor Home Services LLC is a veteran-owned business; we take pride in our expertise in roofing systems, including metal, TPO commercial replacement, modified roofing systems, and shingle roofing for commercial and residential properties. Our TAMKO Pro certification allows us to offer our clients 20-year warranties, a decade longer than the industry standard. A testament to our commitment to delivering exceptional results and customer satisfaction.

Core Competencies

- Shingle Replacement
- Metal Replacement
- TPO Commercial Replacement
- Extended Warranties

Differentiators

TAMKO Pro Certified with 15+ years of experience. Veteran-owned Business (Core Principles). Multiple crews for efficient project execution. Capacity to work on multiple state and military base projects. Two-week turnaround for delivery of normally stocked products to job sites.
